

Name	Desiree Daniel
Credentials	CBCS ( Certified Billing & Coding Specialist)
Position	Intake Specialist
Interest	Spending time with my family, reading, movies, traveling, and poetry
A few sentences about you	I have always wanted to be a part of the medical field which increased when I had two of my children born prematurely. I have been a certified biller and collector for 3 years with the DME field and enjoyed every minute of it. Solving problems and helping patients at the most vulnerable time of their lives is very fulfilling.
What I do for RQS	I am a team player who assists our patients in any way possible with the upmost respect and care.
