

Name: Jina Jordan
Credentials: Business Administration Major
Position: Human Resources Generalist
School: East Texas State University

Interests: (optional) If it entails cycling, jogging or keeping the body moving - I'm in! I also have a wonderful son that I drag along as weights to heighten my workout enjoyment.

A few sentences about you: I am a by-product of the wonderful world of advertising which has been my passion for the majority of my workforce life. My newfound love in the DME medical field surpasses that passion beyond measure! I am a "people lover" who finds joy and excitement with everyone I greet and meet. I truly believe that love and joy comes from within and is HIGHLY contagious!

What I do for RQS: Within the RQS realm, you will find me eagerly awaiting your visit or call! I am on the frontline assimilating and processing internal and external human resources information in order to maintain a high quality of service for our patients and staff.
