

Name Rosa Galindo
Credentials BSRC, RRT-NPS
Position Respiratory Therapist
School BS in Respiratory Care at University of Texas Health Science Center at San Antonio

Interests:

Exploring Austin's nature trails with my husband and kiddo, spending time with my family, and going to the gym.

About me:

I started out at Christus San Santa Rosa in San Antonio, working pediatric and neonatal ICU. I later moved to Austin to be closer to my family. I worked at Seton where I worked with adults, pediatrics, and NICU. Before transitioning into home health, I was a supervisor at North Austin Medical Center/St. David's Children's Hospital. I enjoy sharing my knowledge of respiratory care with patients and fellow co-workers.

What I do for RQS

I am a Respiratory Therapist. I provide great care and service for our patients in the home. I train caregivers and family members so that they will feel comfortable caring for their loved one.
